14th Century Langham Wills

Contents

Select a Will to read from the list below or use the pdf search tools

Please note that the spelling of names varies through out this document as our transcription tries to faithfully reproduce the original spellings. We have not tried to create a "sounds like" function for searching and suggest that you turn off "Search for Whole Word" and search just on a few characters from the start of a name. For example, searching for Bark will find Barkby, Barkbye, Barkbys, Barkby's or Barkbyes.

[William Byry - 1389](#)
